1. Vendor's Access and Obligations.

1.1. Vendor may access an electronic web distributed workstation that automates various stages of the default process (the "Equator Workstation"); for such Vendor's benefit in the ordinary course of Vendor's internal business operations for the sole purpose of promoting and offering its services through the Equator Workstation and facilitate ordering, status communication, completion communication, invoicing completion, paperless document completion and any other applicable Altisource Services and delivery between Vendor and any third party entities soliciting and engaging Vendor's services ("Customers") ("Permitted Use").

1.2. Altisource will provide credentials and/or logins to Vendor and Vendor's approved users to enable Vendor's access to the Equator Workstation. Vendor shall provide true, accurate, current and complete information in all interactions on the Equator Workstation. The right granted to Vendor herein to access the Equator Workstation constitutes a limited right according to the terms herein and not a transfer of title. Vendor shall maintain the secrecy of its login credentials and shall not share its username, password or any other login credentials with others, and Vendor and its authorized users are jointly and severally liable for all activities that occur under Vendor or its authorized users' username and password. Vendor shall employ all physical, administrative and technical controls, screening and security procedures and other safeguards

Vendor and its authorized users will be held jointly, severally and fully liable for any breach of this Agreement by Vendor or its authorized users, and will fully indemnify and hold Altisource and (as applicable) its affiliates, officers, directors, agents, and employees, harmless from any claim, including a claim for attorneys' fees, or damages arising out of such breach of this Agreement. Altisource will have no responsibility for accounts not within its actual sole control. Vendor will immediately notify Altisource in the event of any loss, theft or unauthorized disclosure or use of any of Vendor's credentials and/or logins or if Vendor otherwise has reason to believe that the Equator Workstation is no longer secure for any reason.

1.3. Vendor, by providing its telephone number(s) to Altisource and becoming a Vendor, is giving Altisource, its agents, representatives, affiliates or third parties, permission to make calls, included marketing and autodialed calls and to send SMS messages (including text messages) to the telephone numbers provided by Vendor for the purposes of receiving information in connection with solicitations and purchases of Vendor's services requested by Customer through the Equator Workstation ("Telephone Communications"). Vendor further acknowledges and agrees that the Telephone Communications may be made using an automatic telephone dialing or email system technology, and/or involve pre-recorded and/or artificial voice messaging, even if it is a cellular phone number or other service for which Vendor could be charged for such call. Vendor's consent to Telephone Communications shall be effective even if the number provided is registered on any state or federal Do-Not-Call (DNC) list. Vendor may select to revoke its consent to Telephone Communications at any time by simply using the opt-out option included in each communication or contacting us at 1-844-693-9309.

1.4. Vendor shall not use the Equator Workstation to compromise security or tamper with system resources and/or accounts. Vendor's access to the Equator Workstation may be terminated at Altisource's sole

discretion, and in no event shall Altisource be liable to Vendor or any third party for termination of Vendor's account or login credentials.

1.6. If Altisource suspects the credentials a Vendor provides are not correct, current and/or complete, or that the credentials have been compromised, Altisource has the right to refuse such Vendor's access to the Equator Workstation or require Vendor to create new or modified credentials, in Altisource's sole discretion. Altisource may terminate, suspend or modify Vendor's access as set forth in Section 1.5. Altisource shall in no way be liable for any damages or liabilities associated with termination of Vendor's use and access to the Equator Workstation.

1.7. Altisource may establish general practices and limits concerning Vendor's use of the Equator Workstation.

1.8. Vendor remains solely responsible for the content of the Data (as defined below) that Vendor submits to the Equator Workstation. Neither Altisource nor any third party that provides content to Altisource will assume or have any liability for any action or inaction by Altisource or such third party with respect to any Data the Vendor submitted to the Equator Workstation. Vendor represents and warrants that Vendor has all necessary authority and rights to submit to the Equator Workstation any Data that Vendor so submits and to grant Altisource and its affiliates all rights and licenses to such Data granted herein (including without limitation in Section 2.2). Vendor shall be solely responsible for (i) safeguarding Vendor's Data to the extent such safeguarding is within Vendor's control or could otherwise reasonably be addressed by Vendor, including without limitation, by maintaining the secrecy of its login credentials, administering the distribution and use of all access credentials to the Equator Workstation or controlling the Data that is submitted to the Equator Workstation, (ii) the accuracy, quality, integrity, legality and reliability of any Data submitted by Vendor to the Equator Workstation, (iii) ensuring that any Data submitted on or provided by Vendor through the Equator Workstation complies with applicable laws, rules, regulations and guidelines, and (iv) Vendor's information technology infrastructure and management, including computers, software, databases, electronic systems (including database management systems) and networks, whether operated directly by Vendor or through the use of third-party services. Altisource shall in no way be liable for any damages or liabilities caused by Vendor's responsibility to safeguard Vendor's Data as set forth in this Section. "Data" means all information, materials, invoices, support documentation and other content and in any format, medium or form that is entered, uploaded or otherwise provided by Vendor to the Equator Workstation.

1.9. Vendor shall: (a) cooperate with Altisource in all matters relating to the Equator Workstation; (b) respond promptly to any Altisource request to provide direction, information, approvals, authorizations or decisions that are reasonably necessary for Altisource to provide access to the Equator Workstation in accordance with the requirements of this Agreement; (c) provide such of Vendor's Data as Altisource may request to provide access to the Equator Workstation and ensure that such Data is complete and accurate in all material respects; and (d) obtain and maintain all necessary licenses and consents to use the Equator Workstation.

1.10. Except as may be otherwise specified in this Agreement, Vendor, at Vendor's sole expense, will procure, operate and maintain suitable, properly operational (and fully compatible with the Equator

Workstation) computer hardware, software, devices and facilities as required to access and/or use the Equator Workstation as set forth in this Agreement. It is Vendor's sole responsibility to provide (at its cost) any and all instrumentalities of communication including, but not limited to, telephone lines, internet connections, as well as any and all required computer software and hardware devices to enable Vendor to protect the integrity of its Data, as shall, from time to time, be necessary, required or desirable as specified by Altisource to provide access to the Equator Workstation.

1.11. If Altisource's performance of its obligations under this Agreement is prevented or delayed by any act or omission of Vendor or its affiliates, subcontractors or employees, or Vendor's failure to give any required access, Altisource shall not be deemed in breach of its obligations under this Agreement or otherwise liable for any costs, charges or losses sustained or incurred by Vendor, in each case to the extent arising directly or indirectly from such prevention or delay.

1.12. Vendor's use of the Equator Workstation does not replace or reduce the need for Vendor to maintain regular data backups or redundant data archives.

1.13. The Equator Workstation is subject to United States laws, rules and regulations, including export control laws, the Export Administration Act, and the regulations promulgated thereunder. Vendor shall fully and strictly comply with all such laws and regulations and (if applicable) Vendor shall obtain required licenses approvals and/or permission to export, re-export, import to use the Equator Workstation.

Vendor shall be solely responsible for (i) the accuracy of any Data posted by Vendor or pertaining to Vendor's services on the Equator Workstation, (ii) ensuring that any Vendor Data posted on or provided through the Equator Workstation complies with any consumer protection, intellectual property, or any other applicable laws, rules, regulations and guidelines, and (iii) the proper provision and completion of any services offered by Vendor, including resolution of any problems arising from such services directly with any Customers, and Vendor shall be solely liable, and indemnify and hold Altisource harmless in accordance with Section 7 below, for any failures, problems or claims related thereto or arising therefrom.

1.15. Vendor will establish and maintain a separate contractual relationship with each Customer engaging its services through the Equator Workstation, and that Vendor shall invoice each Customer directly or through Altisource's invoicing system for its services. Vendor shall be solely liable, and indemnify and hold Altisource harmless in accordance with Section 7 below, for any failures, problems or claims related to non-payment or billing dispute with any Customer. Altisource shall in no manner participate in, or be liable for, any non-payment or billing dispute with any Customer, and that any fees due Altisource pursuant to this Agreement will be due and payable in full regardless of the payment status of any Customer.

1.16. The fees set forth in the Exhibit A are exclusive of any goods and services taxes, value added taxes, sales taxes or similar taxes ("Sales Taxes") which are the sole responsibility of Vendor. If Sales Taxes are separately stated or disclosed, now or hereinafter imposed on the performance or delivery of the Altisource Services, an amount equal to such taxes so chargeable shall, subject to receipt of a valid receipt or invoice, be paid by Vendor to Altisource in addition to the amounts otherwise payable under this Agreement,

unless a valid sales tax exemption certificate is provided. In each case where an amount with respect to one or more Sales Taxes is payable by Vendor in respect of any service, Altisource shall furnish a valid Sales Tax receipt or invoice to Vendor in the form and manner required by applicable law to allow Vendor to recover such tax to the extent allowable under such law. .

1.18. Vendor assumes full and complete responsibility for maintaining accurate and sufficient account information within the Equator Vendor internal portal. Vendor shall ensure that the mailing address, internet address, e-mail address and contact person(s) are current and Vendor acknowledges that such contact information will serve as the primary contact information for any and all notifications to Vendor. Vendor further acknowledges that any and all communications sent to the contact information on record at the time of the communication has been appropriately addressed and received.

1.19. Vendor shall appoint a contact person(s) to be Vendor's main contact person with Altisource for both operational/technical and billing issues ("Designated Liaison(s)"). Further, Vendor shall provide Altisource with current financial and/or credit card billing information at all times.

2.2. Vendor grants Altisource, its affiliates, employees, independent contractors, agents, advisors, and other representatives a worldwide, non-exclusive, royalty-free, perpetual, irrevocable license to: (i) access, reproduce, display, modify, create derivative works of, store, perform analysis on, otherwise use or have a third party do any of the foregoing on Altisource's behalf (collectively, "Use") on Vendor's Data in connection with (a) Altisource's provision of the Equator Workstation, (b) as necessary or useful to enforce this Agreement and exercise Altisource's rights and perform its obligations hereunder, and (c) Altisource's analysis and creation of Derivative Materials (as defined below) for the purpose of improving the Equator Workstation or any other Altisource Services provided herein; and (ii) to disclose Vendor's Data as may be required pursuant to Section 3.6 or as expressly permitted in writing by Vendor. To the extent Altisource does not own such Industry Data automatically at the time of their creation; Vendor hereby grants Altisource, its affiliates, employees, independent contractors agents, advisors, and other representatives a worldwide, non-exclusive, perpetual, irrevocable, royalty-free license to Use the Industry Data, that is, in part, derived from Vendor's use of the Equator Workstation, for any lawful purpose, including without limitation to monitor and improve the Equator Workstation and associated Altisource Services and in order to create, offer and make available aggregate information and statistics for research, development marketing and other purposes. Notwithstanding the foregoing, neither of the foregoing licenses shall include any license to personally identifiable information on a non-aggregated, non-amalgamated and non-anonymized basis (except as needed to create an aggregated, amalgamated or anonymized version of such information). Altisource acknowledges that, as between Vendor and Altisource, except as otherwise provided herein, Vendor owns all right, title and interest in and to its Data. All reports, derivative works and other materials created from or with use of Industry Data and/or Vendor's Data pursuant to this Section (collectively, "Derivative Materials") are, in each case, the sole and exclusive property of Altisource. TO THE EXTENT THAT ALTISOURCE CANNOT DISCLAIM ANY SUCH WARRANTY AS A MATTER OF APPLICABLE LAW, THE SCOPE AND DURATION OF SUCH WARRANTY WILL BE THE MINIMUM REQUIRED UNDER SUCH LAW.

6.6. Altisource merely provides technological tools that vendors, brokers, agents, lenders, buyers, and sellers and Customers may use to transact business on the Equator Workstation. Altisource is not involved in the actual transaction between buyers, agents, lenders, service providers, asset managers, brokers, vendors and Customers, and is not the agent of, nor has any authority on behalf of any of the aforementioned parties or any other third party, for any purpose whatsoever. Altisource cannot guarantee that any transactions through the Equator Workstation will be completed. Altisource further makes no representations or guaranties regarding any services offered through the Equator Workstation.

6.7. Altisource does not and cannot control the flow of data to or from the Equator Workstation and other portions of the Internet. Such flow depends in large part on the performance of Internet services provided or controlled by third parties. At times, actions or inaction of such third parties can impair or disrupt Vendor's connections to the Internet (or portions thereof). Although Altisource will use commercially reasonable efforts to take all actions it deems appropriate to remedy and avoid such events, Altisource cannot guarantee that such events will not occur. Accordingly, Altisource disclaims any and all liability resulting from or related to such events.

7. Limitation of Liability. EXCEPT WHERE RESTRICTED OR PROHIBITED BY LAW, ALTISOURCE WILL NOT BE LIABLE TO VENDOR, CUSTOMERS OR ANY OTHER THIRD PARTY FOR ANY INDIRECT, SPECIAL, EXEMPLARY, PUNITIVE, OR CONSEQUENTIAL DAMAGES, LOSS OF BUSINESS OR PROFITS OR LOSS OF DATA THAT RESULTS OR ARISES FROM THIS AGREEMENT, OR THE USE OF, OR THE INABILITY TO USE THE ALTISOURCE SERVICES, EVEN IF ALTISOURCE HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. TO THE EXTENT THAT LIABILITY MAY BE ASSESSED AGAINST ALTISOURCE, IN NO EVENT WILL ALTISOURCE'S TOTAL AGGREGATE LIABILITY FOR ANY CLAIMS, LOSSES OR DAMAGES ARISING THROUGH ANY PARTY'S USE OF OR ACCESS TO THE EQUATOR WORKSTATION OR ITS SERVICES HEREUNDER, WHETHER IN CONTRACT OR IN TORT, EXCEED THE TOTAL FEES PAID BY SUCH PARTY TO ALTISOURCE UNDER THIS AGREEMENT IN THE IMMEDIATE THREE (3) MONTHS PRECEDING SUCH CLAIM. THE FOREGOING LIMITATION OF LIABILITY AND EXCLUSION OF CERTAIN DAMAGES SHALL APPLY REGARDLESS OF THE SUCCESS OR EFFECTIVENESS OF OTHER REMEDIES.

8. Indemnification. Vendor shall indemnify, defend, and hold harmless Altisource and Altisource's (and its affiliates') officers, managers, directors, employees, agents, licensors, and suppliers (collectively, "Altisource Indemnified Persons") from and against all losses, expenses, damages, fees, liabilities and costs, including reasonable attorneys' fees, resulting from (i) any breach of any representation, warranty or covenant contained herein, (ii) Vendor's use of the Equator Workstation, and (iii) any transaction or attempted transaction (including, without limitation, any claims or disputes arising therefrom) between Vendor and any Customer or potential Customer of any of the products or services solicited or offered by Vendor, through the Equator Workstation or otherwise.

9. Confidentiality.

9.1. By virtue of this Agreement, Vendor may have access to information that, in whole or in part, is confidential to Altisource. "Confidential Information" shall mean all information provided to, received by, or otherwise made available to Vendor, including: (i) any "non-public private information" as defined in the Gramm-Leach-Bliley Act (15 USC §6801 et. seq., as may be amended) made available to Vendor; (ii) the Altisource Services, products, business models, techniques, computer systems and models, any related technology and processes arising therefrom, and any documentation thereof; (iii) the distinctive methods or procedures which Altisource uses in the design, development, licensing, support, or maintenance of the Equator Workstation; (iv) the terms and pricing under this Agreement; (v) Altisource's business processes and strategies, confidential lists (which shall include, but not be limited to, agent lists and vendor lists); (vi) all other information clearly identified as confidential; and (vii) any notes, summaries or other information or materials that arise out of, result from, or are derivative of any of the foregoing (i)-(iv).

Confidential Information shall not include information that, as evidenced by documentary evidence: (i) is or becomes a part of the public domain through no act or omission of the other party; (ii) was not obtained by the other party either directly or indirectly from the disclosing party or from a third party under a non-disclosure agreement with owner of the Confidential Information; (iii) is lawfully disclosed to the other party by a third party without restriction on disclosure; or (iv) is developed by the other party without reference or use of Confidential Information.

9.2. Vendor shall hold Confidential Information in confidence during the term of this Agreement and for a period of five (5) years after termination of this Agreement. Vendor shall not make Confidential Information available in any form to any third party or to use Confidential Information for any purpose other than to use the Equator Workstation under this Agreement. Vendor shall take all reasonable steps to ensure that Confidential Information is not disclosed or distributed by any person or entity in violation of the terms of this Agreement.

9.3. Any use or disclosure of Confidential Information in any manner inconsistent with the provisions of this Agreement may cause Altisource irreparable damage for which remedies other than injunctive relief may be inadequate, and Altisource shall be entitled to seek from a court of competent jurisdiction injunctive or other equitable relief to restrain such use or disclosure in addition to appropriate remedies.

9.4. Notwithstanding anything to the contrary set forth herein, Altisource shall be able to: (a) use without restriction (i) any performance and/or analysis data compiled by Altisource pertaining to vendors and other users of the Equator Workstation, and (ii) any and all public property data; and (b) contact and solicit any person or entity who uses the Equator Workstation and does not “opt-out” from being contacted. All reports, derivative works, compilations, modifications and other materials created from or with use of such data as set forth in this Section will be, in each case, the sole and exclusive property of Altisource.

9.5. In the event of expiration or termination of this Agreement or upon request of Altisource, Vendor shall immediately destroy or return to Altisource, without retaining any copy thereof, all Confidential Information, and any notes, extracts or other reproductions in whole or in part relating thereto, including, but not limited to, information stored electronically and Vendor shall instruct its authorized users to do the same. In the event of destruction, Vendor shall certify that all Confidential Information has been destroyed.

9.6. Vendor’s duties and obligations under this Section shall survive the termination or cancellation of this Agreement for any reason.

10. Altisource Services.

10.1. Altisource will use commercially reasonable efforts to make the Equator Workstation generally available except when the Equator Workstation is offline for maintenance or other purposes. Any support or other ancillary services associated with the Equator Workstation that Altisource may offer shall be provided on regular business days and hours for Altisource, unless otherwise agreed by the parties in writing. For the purposes of this Section, “regular business days and hours” shall mean Monday to Friday between the hours of 5:00 a.m. and 5:00 p.m. Pacific Time and Saturday between the hours of 8:00 a.m. and 5:00 p.m., exclusive of any holidays Altisource observes in accordance with its corporate policy. From time to time, Altisource may revise the work hours for all or some of their respective staff members for any reason.

10.2. Altisource may provide the Equator Workstation through Altisource’s affiliates, whether by unilateral assignment, designation or subcontract. Such access to the Equator Workstation may be provided at any location worldwide. To the extent the access is required to be performed by an affiliate, Altisource, in its sole discretion, has the right to: (i) designate the affiliate or other third party to provide such access under

this Agreement; and/or (ii) assign, in whole or in part, this Agreement to such affiliate without Vendor's consent.

10.3. With or without prior notice, Altisource may interrupt access to or performance of the Equator Workstation (in whole or in part), for the performance of maintenance, in which case Altisource will use commercially reasonable efforts to conduct such maintenance expeditiously and if possible, conduct such maintenance during non-business hours.

10.4. Subject to the provisions of the Gramm-Leach-Bliley Act (15 USC §6801 et seq., as may be amended), Vendor consents to Altisource's interception, collection, use, reproduction, storage and review of any data transmitted through the Equator Workstation to facilitate (a) billing, (b) network maintenance, (c) the protection and security of the Equator Workstation, (d) compliance with applicable law or valid legal process, or (e) Altisource's collection, generation, storage, reproduction, and use of statistical information for purposes of, without limitation, measuring usage and performance of the Equator Workstation. Except as required by law or by valid legal process, Altisource shall not, without Vendor's consent, specifically identify Vendor in association with such statistical information. In connection with such interception, collection, reproduction, storage or usage, Altisource shall have the right to remove any data or cease any transaction which Altisource deems to be in violation of law or any term or condition set forth in this Agreement. Notwithstanding the foregoing, Altisource shall not have any obligation to remove, screen, edit or monitor any data or other activity on the Equator Workstation.

10.5. Altisource may add, remove or alter any services or functionality contained on the Equator Workstation at any time in its sole discretion. Any continued use of the Equator Workstation following such notice shall be deemed Vendor's acceptance of any such changes.

11. Publicity. Vendor shall not make any press releases, public announcement, internet posting, marketing, promotional or other public communications of any kind in any way related to this Agreement, or reference Altisource and/or its trademarks or trade-related symbols, without Altisource's prior written consent, which may be withheld at Altisource's sole discretion. Furthermore, Vendor may not (i) explicitly state or imply that Altisource has rated, ranked or otherwise endorsed the use of Vendor's services and products; or (ii) make any representation or warranty in any way related to Altisource or the Equator Workstation. During the term, Vendor shall allow Altisource to use Vendor's name and logo in Altisource's promotional collateral and EQ Website as a reference account, and otherwise identify Vendor as a client or customer of Altisource.

12. Termination. This Agreement will terminate upon the occurrence of the earliest of the following events: (i) mutual consent of the parties hereto to terminate this Agreement; (ii) thirty (30) days following the date on which either party gives written notice to the other party of its desire to terminate this Agreement; (iii) a receiver, trustee in bankruptcy or other custodian of the property or assets of a party hereto is appointed, or if either party hereto commits an act of bankruptcy or is adjudicated bankrupt or insolvent; or (iv) at the option of the non-breaching party if the other party hereto breaches a material term of this Agreement. The provisions of Sections 4, 5, 6, 7, 8, 10, 11 and 12 will survive any expiration or termination of this Agreement in accordance with its terms. Upon any termination or expiration of this Agreement, all

license rights granted to Vendor herein shall immediately terminate, Vendor shall promptly cease all use of the Equator Workstation and the Altisource shall cease listing the Vendor information and facilitating any Vendor services. Furthermore, all payment obligations that are not yet due and payable as of such termination date shall immediately become due and payable.

13. General

13.1. It is expressly agreed and intended that each party hereto shall remain a separate legal entity from the other and each shall be an independent contractor responsible only for such party's own actions. Nothing contained in this Agreement shall be construed as establishing an employer/employee relationship, partnership, agency or joint venture relationship between the parties hereto.

13.2. This Agreement will be interpreted in accordance with the laws of the State of Delaware, without regard to its conflicts of laws principles. THE PARTIES HEREBY KNOWINGLY, VOLUNTARILY AND IRREVOCABLY WAIVE ANY RIGHT WHICH EITHER OR BOTH OF THEM MAY HAVE TO A TRIAL BY JURY WITH RESPECT TO ANY AND ALL CLAIMS, CONTROVERSIES OR DISPUTES ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE SUBJECT MATTER HEREOF.

13.3. Anything to the contrary notwithstanding, nothing in this Agreement is intended, nor shall be deemed, to confer upon any person or legal entity other than Vendor or Altisource (and Altisource's affiliates), and their respective successors and assigns as may be contemplated by this Agreement, any rights or remedies under this Agreement. This Agreement is binding upon each of the parties hereto and their respective successors and permitted assigns. Except as provided in sections (i)-(ii) of the following sentence, no rights, obligations or liabilities of Vendor under this Agreement may be assigned or delegated by Vendor without the prior written consent of Altisource. Vendor may assign its rights, obligations and/or liabilities hereunder without the prior consent of Altisource only as follows: (i) Vendor may assign its rights, obligations and liabilities hereunder to a corporation or other entity that (a) results from any merger or reorganization of such party, or (b) acquires substantially all of the assets of such party, provided, however, that the Vendor may not make any such assignment to a direct competitor of Altisource (as determined solely at Altisource's discretion); and (ii) Vendor may assign its rights, obligations and liabilities under this Agreement to any affiliate of such party provided that such affiliate agrees in writing to be bound by the terms of this Agreement and the assignor remains responsible for all obligations and liabilities of such affiliate hereunder. Altisource may assign to any other person its rights under this Agreement, including its right to receive and collect payments hereunder, without any limitation and without any notice to or consent from Vendor.

13.4. 12.4 All legal notices required or permitted hereunder will be given in writing addressed to the parties as set forth below and will either be (i) personally delivered, (ii) transmitted by postage prepaid certified or registered U.S. mail, or (iii) transmitted by nationally recognized private express courier, and will be deemed to have been given on the date of receipt if delivered personally, or three (3) days after deposit in mail or express courier. All notices shall be delivered to the following address (or at such other address a party may specify by like notice):

If to Vendor:

To the Designated Liaison and mailing address on record in the EQ Vendor internal portal at the time of the communication.

If to Altisource:

13.5. In the event any provision of this Agreement, including any amendment or modification to this Agreement as posted on the Altisource Website, is held by a court or other tribunal of competent jurisdiction to be unenforceable, such unenforceability shall not affect any other provisions of this Agreement and this Agreement shall be construed as if such unenforceable provision had never been contained herein. The waiver, express or implied, by any party hereto of any breach or default shall not constitute a waiver of any different or subsequent breach or default.

13.6. By clicking on the button labeled "I AGREE" to accept the terms and conditions of this Agreement, it is submitting a legally binding electronic signature and is entering into a legally binding contract. Vendor acknowledges that its electronic submissions constitute its agreement and intent to be bound by this Agreement. Further, Vendor hereby waives any rights or requirements under any statutes, regulations, rules, ordinances or other laws in any jurisdiction which require an original signature or delivery or retention of non-electronic records. Vendor also acknowledges that it is bound to any amendments made to this Agreement by Altisource even if Vendor is not provided prior notice of such amendments except as defined herein. Vendor's continued use of the Workstation constitutes acceptance of the then current Agreement, a copy of which can be found on the Altisource Website.

13.7. This Agreement, along with any modifications or amendments to this Agreement as posted on the Altisource Website, constitute the complete and exclusive statement of the agreement between the parties relating to the subject matter hereof, and all provisions representations, discussions, and writings are merged in, and superseded by, this Agreement. This Agreement may not be modified by Vendor without a subsequent writing signed by Altisource and Vendor. Altisource reserves the right to unilaterally amend this Agreement at any time without prior notice. This Agreement shall prevail over any additional, conflicting, or inconsistent terms and conditions.

13.8. Any of Altisource's rights or benefits under this Agreement may be enjoyed by Altisource and/or any of its affiliates, successors or assigns.

VENDOR EXPRESSLY ACKNOWLEDGES THAT IT HAS READ THIS AGREEMENT AND UNDERSTANDS THE RIGHTS, OBLIGATIONS, TERMS AND CONDITIONS SET FORTH HEREIN. BY CONTINUING TO USE, ACCESS AND/OR POST ANY INFORMATION ON THE EQUATOR WORKSTATION, VENDOR EXPRESSLY CONSENTS TO BE BOUND BY THE FINANCIAL OBLIGATIONS AND TERMS AND CONDITIONS SET FORTH HEREIN, AND AMENDED FROM TIME TO TIME, AND GRANT TO ALTISOURCE THE RIGHTS SET FORTH HEREIN.
